

NOTICE—When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement, the use of such data without the express written permission of the Government is prohibited, and the fact that the Government may have furnished, furnished, or in any way supplied the said drawings, specifications, or other data shall not be construed as an authorization, by implication or otherwise, of any other person or corporation, or conveying any rights or privileges in connection therewith, or as an authorization to reproduce, copy, or in any way use the same for any purpose other than in connection with a definitely related Government procurement.

NOTICE—This drawing was prepared by the 14-Form and Navy Department. It is the property of the Government and is loaned to the user for the purpose of manufacturing or reproducing the same. It is not to be used in any other way, and the user is to return it to the source after the latest date of approval shown.
