responsible for
any errors or
omissions.

NOTE: When Government drawings, specifications, or other data are used for any purpose other than in connection
with the Government, the United States Government hereby disclaims any responsibility, and any application of the
data furnished, furnished, or in any way applied to the said drawings, specifications, or other data is not to be
regarded as an endorsement, approval, or any other form of support, or as carrying any rights of permission in writing,
shall not be held responsible therefor.

1. This drawing was approved by Joint action of the Air Force and Navy Departments as the AN3307-1
for this product. This drawing supersedes all previous drawings for this same product and shall
be effective for the procurement of replacement supplies, or for use in new design, not later than 6 months
from date of approval above.
