

QUALIFIED PRODUCTS LIST
 OF
 PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION
 MIL-C-25955
 CONNECTORS, ELECTRICAL, ENVIRONMENTAL RESISTING,
 MINIATURE, WITH SNAP-IN CONTACTS

This list has been prepared for use by or for the Government in the acquisition of products covered by Specification MIL-C-25995. Listing of a product is not intended to and does not connote endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

The activity responsible for this QPL is the Defense Supply Center Columbus (DSCC-VQ), Columbus, OH 43216-5000.

The qualified products are listed in tabular form for each manufacturer. Connectors are qualified to any combination of style, shell size, insert arrangement, and polarization position shown on applicable military standards. An example of the government designation is illustrated below.
